

FALL 2022 - NANOBIONYC PHD LEADERSHIP WORKSHOP SERIES  
**PRESENTING YOUR SCIENCE**

FRIDAY DECEMBER 9TH, 2022, 3-4PM  
VIRTUAL VIA ZOOM

Can you explain to a child what your research is about? How about another scientist from a different discipline than yours?

Learn the principles of science communication with GC's Director of Science Media Relations Shawn Rhea and nail your elevator pitch!

How to prepare for the workshop:

1. Register for the virtual workshop [here](#)
2. Watch an episode of Wired's **'5 levels'**
3. Come prepared with a 1-minute pitch of your research that your younger sibling can understand

After attending the workshop:

Practice your pitch with everyone around you!

The series is open to all CUNY students in STEM graduate programs (PhD and Master's). The workshops and their resources are free. RSVP is required.
